

# Eaton CAM-EXT-00

Catalog Number: CAM-EXT-00

Outdoor IP camera

## General specifications

Product Name	Catalog Number
Eaton intruder alarm camera	CAM-EXT-00
EAN	Product Length/Depth
5060096854128	65 mm
Product Height	Product Width
185 mm	65 mm
Product Weight	Compliances
0.59 kg	CE marking

## Product specifications

### Enclosure color

Silver

### IR range

20m

### Transmission

TCP/IP

### Power over ethernet (PoE) power - max

5.04 W

### Mounting method

Wall

Ceiling

### Image sensor

1 / 2.7" MegaPixels CMOS

### Infrared LEDs

Yes

### Protection against direct contact

No

### High definition color

Yes

### Picture system

Other

### Input voltage

12 Vdc

### Memory capacity

0.016 GB

### Functions

Yes

### Power Consumption (W) - Using 12V DC

4.21W (IR ON); 2.4W (IR OFF)

### Supply voltage - max

12 V

### Lens type

2.8 mm at F2.0

### Indoor/outdoor

Universal

[Slimline door contact - Certificate of type examination](#)

## Type Of Interface

Wi-Fi

## Enclosure material

Plastic

## Sensitivity

Colour: 0.1 Lux (AGC ON); Black & White: 0.05 Lux (AGC ON)

## Supply voltage - min

12 V

## Property picture system

Colour

## Environmental class

IP66

## Voltage type

DC

## Resolution

1080p
