# Eaton EXP-W10

## Catalog Number: EXP-W10

10 wired zone expander, 4 outputs, bus connected

### General specifications

| | |
|---|---|
| **Product Name** | **Catalog Number** |
| Eaton EXP intruder system expander | EXP-W10 |
| **EAN** | **Product Length/Depth** |
| 5060096852797 | 41 mm |
| **Product Height** | **Product Width** |
| 230 mm | 144 mm |
| **Product Weight** | **Compliances** |
| 0.46 kg | CE marking |

## Product specifications

**Internal prox**

No

**Operating temperature - min**

-10 °C

**Battery charge outputs**

0

**Dedicated PA keys**

No

**EN 50131 Grade**

3

**Type of bus device**

Expander

**VdS Class**

None

**Rechargeable battery**

Not applicable

**Current normal**

20 mA

**Data sheets**

EXP-R10/30

**External prox**

No

**With power adaptor**

No

**Colour**

White

**Transistor outputs**

4

**Radio frequency**

Not applicable

**Operating temperature - max**

55 °C

**Radio connection**

No

**Number of outputs for optical signal generators**

Eaton Specification Sheet - EXP-W10

0

**Zone inputs**

10

**Supply - max**

13.8 V

**Integrated dial device**

No

**Number of sabotage groups**

11

**Emergency power supply integrated**

No

**Number of assault groups**

0

**Occurrence memory**

No

**Number of outputs for acoustic signal generators**

0

**Display**

No

**Current - max**

20 mA

**Type**

Expander

**Number of indicator groups**

10

**Operating voltage**

12 V

**Supply - min**

10 V

**Loudspeaker connection**

Yes

**Device connections**

Wired

**Interface external**

No

**Environmental class**

2

Suitable for bus connection

Yes
